VOLKSWAGEN CADDY *F-Style 3*

RESTRAINT
SYSTEM
APPROVED

GENIUS RAMP
AVAILABLE

3+1 Configuration

ACCESSIBILITY

Thanks to the practical ramp in the manual version, the Volkswagen Caddy F-Style 3 facilitates on board access to the passenger in a wheelchair. The lowering of the floor makes it possible to obtain an interior space useful to accommodate 3 or 2 passengers plus the person in a wheelchair.

VERSATILITY

The use of the original seats, with a 2/3 - 1/3 tilting system in the second row, makes it possible to restore the 5 travel seats when the person in wheelchair is not on board.

STYLE AND DESIGN

These are the distinguishing features of the F-Style 3 conversion: Hi-Tech top quality floor, elegant LED lights and ABS trims which are able to ensure the quality standards of a standard vehicle.

2+1 Configuration

Enhanced rear visibility when the ramp is closed.

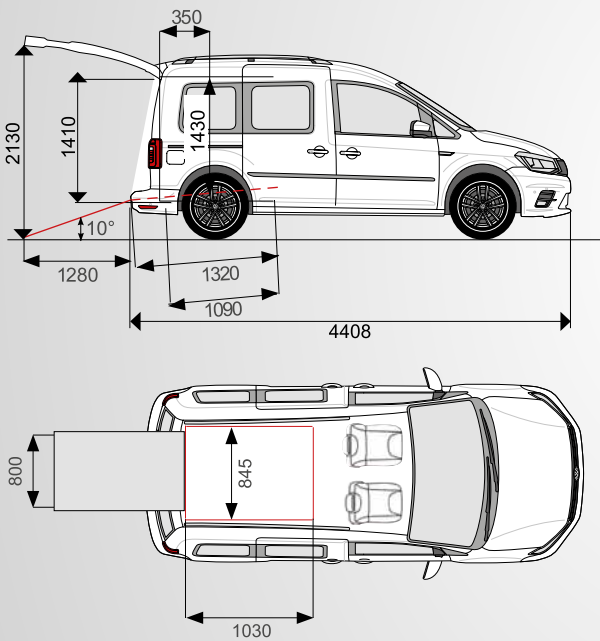

Genius Ramp The additional benefit of this system allows the access ramp to be **folded inside the vehicle** and to closely resemble the original vehicle floor. The Genius Ramp is particularly suitable for taxis and for anyone who needs to use the Caddy F-Style 3 for a multitude of purposes.

F-WINCH

Allows drawing the wheelchair onto the access ramp, in a comfortable and safe way.
