LED LIGHTS

GENIUS RAMP

## ITALIAN DESIGN

The F-Style conversion is easily recognizable at first glance with features including a **Hi-Tech floor**, **integrated LED lights**, **automotive ABS interior trims**, **new single seats covered in fabric** to harmonize with the interior finish. These exclusive upgrades are in line with the aesthetics of the original vehicle and make the travel environment refined and pleasant for all passengers.

## GREAT VERSATILITY: GENIUS RAMP

The opening and closing of the access ramp are quick and easy. The  system allows the access ramp to be **folded inside the vehicle** and to closely resemble the original vehicle floor, when the person in wheelchair is not on board. The Genius Ramp is particularly suitable for anyone who needs to use Berlingo F-Style for a multitude of purposes.

## CERTIFIED SAFETY

The Berlingo F-Style has been tested and has obtained the **Whole European-Type Approval**.

## SPACE AND FUNCTIONALITY

New Citroen Berlingo F-Style accommodates up to **4 passengers e 1 person in a wheelchair**. The wide wheelchair parking area allows the person with disabilities to travel in maximum comfort, perfectly integrated alongside the group of passengers. The restraint storage compartment and the storage spaces are practical and designed for everyday living.

**F-WINCH**

The **F-Winch** allows drawing the wheelchair onto the access ramp, in a comfortable and safe way. It can be operated via standard wired remote or the wireless F-Remote.
